## **More Reasons not to miss the Vermilion Advantage Tour of Industries**

Vermilion Advantage and participating industries have added more incentives to join the fun for the Tour of Industries on Saturday, October 21 from 9-3. Participants will have two ways to win prizes.

First, every guest who signs in at each industry will automatically be entered to win one of eight \$100 Chamber Dollars gift certificates that can be used in over 62 local businesses. Second, after the tour, participants are invited to go online to complete a survey about the tour. Survey respondents will automatically be registered to win one of the following prizes:

Balloon ride for two with local pilot Larry Owen – Value \$225

Fitbit

Tablet

Meijer \$200 gift card

This tour is only the fourth time that major companies in Vermilion County Illinois are opening their doors for a special one day, behind-the-scenes look. The Vermilion County Tour of Industries, hosted by Vermilion Advantage, will be held from 9-3 PM (CST) on Saturday October 21. Tour participants will learn about the companies and receive information about immediate job openings. First tours begin at 9 AM, last tours begin at 2:30 CST.

### **Safety**

Tour guests will be required to follow safety guidelines including:

Long pants **ONLY** (no shorts, skirts, or dresses).

Recommend long sleeve shirts at Fiberteq.

Closed toe/closed heel shoes. Athletic/tennis shoes with rubber soles recommended.

No cameras or cell phone use in the building.

No jewelry.

-more-

Additional requirements in several companies also include minimum age restrictions for children. Most minimum ages range from 7-10 years of age. Visitors at Fiberteq and Viscofan must be at least 14 years of age. All children under 16 must be accompanied by an adult at all other locations.

**Parking**

Parking will be available near each business. Specific parking information is available at [www.madeinvermilioncounty.com](http://www.madeinvermilioncounty.com)
